## There's a spring in our step

It's hard to believe that next month we'll be halfway through 2018 and officially into summer. It seems like only yesterday we were battling the beast from the east and shaking the snow off our boots.

We've had a whirlwind of a year so far, and we're pleased to have caught a few awards along the way including our second consecutive year in the top 10 of the Sunday Times Best Small Companies to work for.

We also have more potential awards in the pipeline as next month we'll be heading to London to find out if we've won Money Marketing's adviser firm of the year.

We're extremely pleased with how smoothly the launch of the new Equilibrium funds went, with our team investing over £350-million over ten days – wow!

Recently we saw the markets dip, but this type of volatility is no shock. You can always be assured that your friendly experts at Equilibrium are more than capable of dealing with the repercussions.

I hope you enjoy our spring edition of EQ Out and About, and as always if you have any feedback or comments please do get in touch with me directly at [Debbie.Jukes@eqllp.co.uk](mailto:Debbie.Jukes@eqllp.co.uk).

## Team spirit

Equilibrium staff have had their wits tested over the last 6 months, as our Spirit Team has sorted everyone into eight different teams to compete against each other. Pumpkin carving, festive decorating and quizzes are just a few of the challenges that the team have already competed in. Who will be the champions?

## Educating Equilibrium

Drew Povey from the much-loved TV show 'Educating Greater Manchester' came in to give a talk on effective problem solving and applying creativity. The talk was truly inspiring and went down brilliantly with the team.

## Pssst, we're on Instagram!

In addition to our existing social media pages, we've created our very own Instagram page to keep you up to date on what we're up to. If you haven't already, give us a follow!

## Honouring national holidays...

Here at EQ, we take national holidays extremely seriously, as you can see below from our celebration of National Pizza day. We also cheered ourselves up on Blue Monday with a chippy for all staff!
