Please be aware that the IFSL Equilibrium Adventurous Portfolio has performance figures dating back to 01/11/2017. Past performance figures prior to this date are simulated based on the performance of the underlying fund allocations and asset splits. Performance data sourced from FE Analytics. Past performance is never a guide to future performance. Investments may (will) fall as well as rise and you may not get back your original investment. Changes in currency exchange rates or interest rates may have an adverse effect on the value of your investments.
